## Good morning and Welcome to CFC

It's a great pleasure to Have Chris Millin with us in person again. The last season has shown us how important relationships are and Chris is a part of this family. We support the work God has called him to in outback Australia but more than that we stand with him as a brother.

He has been locked away in Sydney for quite a few months and is keen to get on the road and see the many people God has called him to. Pray for Chris as he travels to SA and outback Australia that his equipment works well and that doors are opened as God is glorified in the work He is doing through Chris and Kas.

May the fulness of the gospel be preached in our land of Australia. May people not trust in fancy words but in the power of the Holy Spirit. May you know God's great blessing in your life today as you worship with us.

Love Kym
