Ministering Today
Kym Wade

God is with us, He never leaves us or forsakes us. But even more personal than that God has made His home with us. We are His temple, the place where He resides and lives.

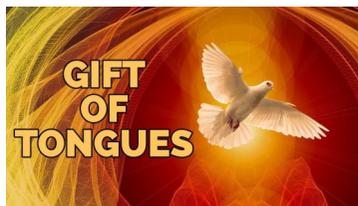

The great plan of God was that His Son would come, live with us and teach us His Word and then die for us. But the plan didn't finish there, Jesus rose again from the grave and went back to the Father. Still the plan didn't finish there, Jesus asked the Father to send the Holy Spirit and the Holy Spirit came and now dwells with us.

What a great blessing we have to be the dwelling place of God and to be able to walk in the power of the Holy Spirit. The Holy Spirit leads us, reminds us of the words of Jesus, intercedes for us and equips us with various gifts of the Spirit.

Today we will have a look at the gift of tongues. This is such a beautiful gift of intimacy between the Father and us. A gift that brings us right into the presence of God. A gift that has been used as a sign to unbelievers. A gift that has brought prophetic insight to the church and a gift that brings intercession where our own understanding is too limited to pray what needs to be prayed.

May we grow in our understanding and use of this precious gift from our Father.

Projects Update

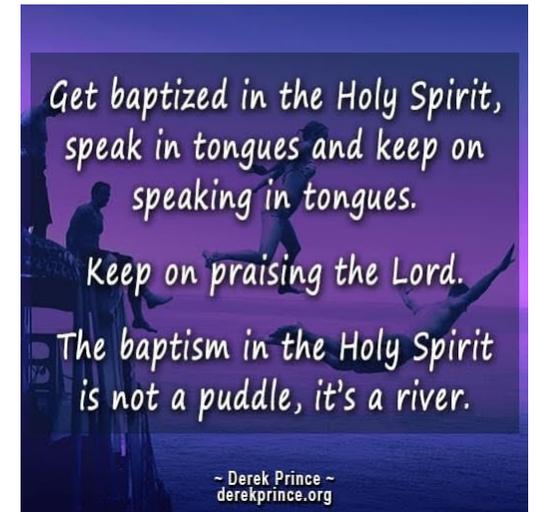

At the moment the Babies Room is nearing completion, just needs a few pieces to be put in place - TV Screen, new basin tap, door handle. It also needs air-conditioning. We have had a quote of \$5.000 to install 2 units - one in the Babies room and one in the Family room. We have insufficient funds at present, so we are asking for some help to raise the funds needed. If you are able to contribute it would be most appreciated. You can give on line marking the reference Projects/Aircon, or in the offering using the envelopes on the table in the entrance. Thank You
