Jesus said.... I am the way, the truth, and the life

Ministering Today Kym Wade

What does it take to walk as one together as the body of Christ? Well the simple answer is it takes God. We can not do it without Him. It should therefore be a simple and straight forward matter given that we actually do have God with us. He is one with us and lives in us. He has given us everything we need to walk as one together.

One of the great wonders of God is how He is able to be one with me and I still have the ability to make choices and either walk His way or walk my own way. This in itself is a miracle of God's! He has given me the ability to chose to walk in His ways. It is impossible for me to walk in His ways without Him, but He is one with me so I can walk in His ways.

The bible has much to say about how we walk with each other and there are quite a few scriptures about how we are not to judge each other but encourage each other as we walk with God together. It is quite obvious in scripture that we are not to bring condemning judgement on each other and we will be looking at some of these scriptures today.

Love Kym

It is with great sadness that we announce the passing of our dear sister Judith Code who went to be with Jesus on Tuesday 1st October . Judith has been a faithful member of CFC since the late 1970's and has been a dear friend to many of us, she will be greatly missed. Our thoughts and prayers are with her family.
