### Ministering Today Kym Wade

The book of James is often called the proverbs of the New Testament and proverbs is famous for bringing wisdom to the young, or not so young as need be.

As we continue in James the next point he makes regards the need to gain wisdom for those who are lacking in it. I think at times we all feel the need for more wisdom.

God's word makes it quite clear that wisdom is readily available for those who seek it out. As a matter of fact, wisdom calls out to us! We just need to listen and submit our ways to her.

As we go through the book of James may the words of wisdom inspired by the Holy Spirit speak deeply into our souls and may we learn to walk in the way of God and not man. James has many practical things to say to us and if we choose to walk in them, we will reap the benefits of wisdom!

**Sow for yourselves righteousness;  
Reap in mercy;  
Break up your fallow ground,  
For it is time to seek the Lord,  
Till He comes and rains righteousness on you.**

**Hosea 10:12 NKJV**
