and enjoy a time of fellowship.

**Ministering Today**  
**Kym Wade**

We would all agree that prayer is a very important part of our everyday walk with God. But for so many of us it is only a very small part of our lives. It is a challenge to find the time and even when we do put aside some time we don't know what to do with it

. How do we pray? This was also the case for Jesus disciples. The ones Jesus chose to lead his early church had the same problem you and I have. We are in good company. We all need Jesus to teach us. We all need the Holy Spirit to lead us. Even in prayer!

So today we are going to look at the Lord's Prayer as a template for how we can spend our time in prayer with the Father. My prayer for us all is that we would grow in the discipline of prayer in our lives and that we would build depth into our relationship with the triune God.

Love Kym
