Ministering Today
Kym Wade &
Peter Dart

Today we are going to look again at the fear of the Lord. The fear of the Lord or lack of it directly impacts every aspect of our lives. Will we do life God's way and be obedient to Him or will we do it our own way? This is a confronting topic! We can turn this into a whip for our own backs and try to be obedient to God in our own strength. This is often called religion. Religion like this is man trying to please God in his own strength. This does not please God. We can only please God by having faith in Him.

We are totally dependent on Him and this is a beautiful truth. Jesus said that when we love Him we will be obedient to him. To walk in the fear of the Lord is to overcome the temptations and evil of this world as we live completely for the Lord. We do this by believing in Jesus Christ and trusting every aspect of our lives to Him.

May we hear the words of Jesus Christ today as we discuss the fear of the Lord!
